Dear CCDF Child Care Provider,

As you may be aware, the CCDF provider standard defining supervision as "within sight and sound at all times" (470 IAC 3-18-1(23)) has been voided by the Indiana General Assembly. Therefore, this letter serves to provide guidance as to what is meant by the standard of continual supervision found in Indiana Code 12-17.2-3.5-5.5. To ensure the safety of children in child care settings that accept CCDF vouchers, and for the protection of Indiana's providers, continuous supervision will be defined as follows.

- Caregivers shall supervise children by sight **or** sound at all times. Sound monitors alone shall not be considered as an acceptable means of supervision.
- Children shall remain on the same floor of the facility as the caregiver.
- During mealtimes, children shall remain in the caregiver's line of sight.
- Children shall not be left alone either inside or outside. With the written permission of parents, school age children (grade one and above) may be allowed to participate in activities outside the direct supervision of a caregiver. These activities must occur **on the premise** of the child care home. The caregiver must physically check such children every 15 minutes.
- Children who are able to toilet independently, including fastening and unfastening clothing, wiping themselves, flushing the toilet, and washing their hands, may use a bathroom for a short period of time without direct adult supervision.
- Children may sleep outside of the provider's direct line of vision as long as the following conditions are met:
  1. Children remain on the same floor of the home as the provider. Provider's children may sleep in their own beds.
  2. The doors to the rooms where children are sleeping remain open.
  3. Periodically, sleeping children shall be visually monitored and checked to insure they are breathing normally. Children under 15 months of age should be checked approximately every 15 minutes.

In addition, the agency provides the following guidance on safe sleep practices. To reduce the possibility of Sudden Infant Death Syndrome, children age 12 months or younger must be placed on their backs to sleep, unless the caregiver receives a written waiver of this requirement from a health care provider. Infants must sleep in a safe crib or port-a-crib. The following are the current safety guidelines for cribs and port-a-cribs.

- The slats of the crib can be no more than 2 3/8 inches apart.
- Mattresses must fit snugly with no more than one inch between the mattress and the side of the crib.
- The sides of the crib must be locked in the raised position while babies are sleeping.
- Never put anything soft, such as pillows, thick blankets, comforters, stuffed animals, or sheepskins in the crib with a sleeping baby. If a light blanket is used, it should be securely tucked in at the foot of the crib and reach only as far as the infant's chest.

Finally, sleeping infants should never be placed on an adult bed, sleeping bag, sofa, pillows, or thick blanket.

The safety and well being of Indiana's children are the top priority for all of us. Thank you for your hard work and dedication to this goal.

Sincerely,

E. Mitchell Roob Jr.,  
Secretary  
Family and Social Services Administration

Indiana Code 12-17.2-3.5-12.1 requires each childcare provider to provide drug test results which do not show a presence of illegal controlled substances for themselves, all individuals residing in the home over the age of eighteen (18) and any employee or individual caring for children on their behalf prior to participation in the Child Care and Development Fund (CCDF) program. This drug test shall test for Amphetamines, Cocaine, Opiates, PCP and THC. Each drug test shall meet the following criteria.

1. Chain of Custody shall follow guidelines, which are consistent with U.S. Department of Transportation requirements. (See specific Chain of Custody instructions listed below.)

3. Drug test results shall be reviewed by a nationally certified Medical Review Officer using positive cut-offs established by the U.S. Department of Transportation. Drug test results must include contact information for the Medical Review Officer and signature when possible.
4. Drug test results shall be faxed or mailed to the verifying agent.

The following Chain of Custody shall be followed for drug testing results provided to the Family and Social Services Administration as required by Indiana Code.

- ☐ The collector checks specimen volume ensuring there is at least thirty milliliters of urine in a single specimen collection.
- ☐ The collector checks specimen for unusual color, odor or other physical qualities that may indicate an attempt to adulterate the specimen.
- ☐ The collector will pour at least thirty milliliters into the specimen bottle.
- ☐ The collector immediately places lid/caps on specimen bottle and then applies tamper evident labels/seals.
- ☐ The collector will write the date on label field. The donor will be asked to initial labels/seals when affixed to the bottles.

- ☐ The collector will prepare the bottle and copies of the custody of control form for shipment to the laboratory. The bottles and custody of control form copies will be shipped in a padded mailer or shipping container secured with an outer seal. ## REQUEST FOR TAXPAYER IDENTIFICATION NUMBER AND CERTIFICATION

**Purpose of form:** We are required to file an information return with the IRS and must get your correct taxpayer identification number (TIN) to report our payments to you.

Use Form W-9 on the reverse side, if you are a U.S. person (including a U.S. resident alien), to give us your correct TIN and, when applicable to:

1. Certify the TIN you are giving is correct.
2. Certify you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are an exempt payee.

If you do not provide us with the information, your payments may be subject to 31% federal income tax backup withholding. Also, if you do not provide us with this information, you may be subject to a \$50 penalty imposed by the Internal Revenue Service per I.R.C. 6723.

Federal law on backup withholding preempts any state and local law remedies, such as any rights to a mechanic's lien. If you do not furnish a valid TIN, or if you are subject to backup withholding, the payer is required to withhold 31% of its payment to you. Backup withholding is not a failure to pay you. It is an advance tax payment. You should report all backup withholding as a credit for taxes paid on your federal income tax return.

**Specific Instructions:** Enter your legal name on that line. Your legal name is the one that appears on your Social Security Card or your Employer Identification Number if a business. If you are a sole proprietor, then your legal name is the business owner's name. If you have a "doing business as" (d/b/a) name, enter on the trade name line. Enter your remit address on the next line, and if you have a separate address for purchase orders enter that address on the appropriate line.

Next select the organization type for your name, check the box, and record the appropriate taxpayer identification number (TIN) in the space provided. Notice that individuals and sole proprietors are the only types with a social security number. If you are a corporation or an exempt 501(a) organization, you must answer yes or no on legal and medical services. If you are a sole proprietor you must show the business owner's name in the legal name box and the business name in the trade name box. You cannot use only the business name. For the TIN, you may use either the individual's SSN or the employer identification number (EIN) of the business. However, the IRS prefers that you show the SSN.

Finally, complete the certification section, sign and date the form.

If you are a foreign person, use the appropriate Form W-8.
